

FRED PABST

OCONOMOWOC
WIS.

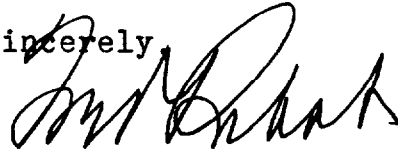

October 16, 1951

My dear Professor Lederberg:

You are cordially invited to visit the Pabst Farms Inc. on Saturday, October twenty-seventh, at eleven o'clock A. M., at number one farm to view our Holstein cattle and informally discuss our breeding program. All members of the Genetics Department have been invited. Luncheon will be served at about twelve-thirty.

I shall be very happy to have your acceptance.

Sincerely,

A handwritten signature in dark ink, appearing to read "Fred Pabst", written in a cursive style.
